

VEHICLE ENTRANCE PROCEDURE

Access to the Gran Via site will be strictly regulated to ensure a smooth flow of traffic, ALL vehicles delivering or collecting from the Gran Via must follow these instructions:

VEHICLES FOR UNLOADING BY FORKLIFT (HEAVY VEHICLES) – GATE 1

- Vehicles must enter the Gran Via using Gate 1 located on Carrer de les Ciències
- Upon entry to Gate 1 you will be greeted by one of the traffic marshall's
- If your vehicle is arriving for unloading by GBH then your driver will be required to have a copy of the booking confirmation or booking number
- When access to the Gran Via site is available, the vehicle will be guided by a marshall to the unloading area.
- Vehicles will have a maximum of 2 HOURS to unload or reload.
- Priority will be given to vehicles that have pre-registered for unloading / loading. Vehicles arriving without prior notification will be unloaded / loaded once pre-registered vehicles have completed unloading or loading.
- Vehicles must be removed from site as soon as possible using Exit Gate 3

VEHICLES FOR UNLOADING BY HAND (LIGHT VEHICLES) – GATE 4

- Smaller vehicles unloading by hand will enter and exit via Gate 4 located on Carrer de la Botanica.
- Upon entry, you will take a ticket from security who will instruct the driver to where to report by the hall.
- Space is limited outside the halls, so 2 HOURS are permitted before the vehicle must depart the venue.
- When the vehicle exits the fairground, the entry ticket must be given to security and the access fee will need to be paid.

All vehicles entering the fairground do so at owners risk. GBH Exhibition Forwarding Limited and/or all relevant agents and organisers involved with ESCRS Barcelona 2024 take no responsibility or liability for vehicles whilst inside the Gran Via site, all vehicles remain strictly at owners risk.
