

# Advancing Pentacam® Diagnostics with Pentacam® Cornea OCT and Corvis® ST: Enhanced Imaging in Refractive Surgery

Pentacam® Cornea OCT – Corvis® ST – Pentacam® AXL Wave

**Saturday, 7 September**  
**13:00 - 14:00 h | Room 8.1 M**

Chair: Damien Gatinel, France

**Pooja Khamar, India**

The OCULUS Pentacam® product suite  
for refractive and cataract management

**Renato Ambrósio, Brazil**

Introducing Pentacam® Cornea OCT:  
A paradigm shift in refractive imaging

**Riccardo Vinciguerra, Italy**

Pentacam® and Corvis® ST:  
Scheimpflug tomography, Pentacam® Cornea OCT imaging  
and biomechanics – the triangle of refractive diagnostics

No registration required. Seats are limited.
